The Freedom Hunters

When the fishermen's boats come back loaded with exciting stories

People with personal ambitions, as well as spies and traitors on one hand, and patriotic feats and sacrifices on the other, which result in a clash of national interests.

Drama/ Modern History/ Thriller/ Romance/ Epic

Summary

The series depict myriad of epic human stories undergone by the fishermen while facing the French colonialist during the French mandate in Syria to gain their independence, which included battles and confrontations of epic proportions that suit this odyssey. It's a series of dramatic climaxes hidden deep in the sea, and they explode one after another, forming exciting stories with the vivid colors, ideas, and conflicts created inside us, while we watch a different kind of charm, the charm of good and the charm of evil, which drama introduces to promote good in the face of evil so it could eventually eradicate it.

Dramatic Plot

In this series, the director focuses on highlighting the beauty of coastal nature, and the lifestyle of fishermen with its simplicity and adherence to the authentic Arab values. The battles result in the martyrdom of symbols of the national struggle, while others are injured, in exciting dramatic scenes that touch the heart, revealing sublime love stories full of great sacrifices that amount to dying for others and for the nation.

Production Value

This series was filmed with the latest equipment and devices that not only introduce the concept of portable cameras, but also represent the cinematic formula of visual formation. The costume and accessories design were unlike anything done before in modern history drama series.
