Al-Fardawi

Destiny Must Respond

Struggling against the colonialists for freedom and independence

We introduce this story through this drama series inspired by our history in terms of the nature of conflict and unrest within the one nation and in the frame of national liberation movements. The story of this show is shaped as to create a contrast between the noble national struggle for dignity and independence, and the shameless collaborators with the evil forces to reinforce their dominance.

Drama/Modern historical / Romance/ Thriller/ Political /Battles

Summary

This series tackles a period of Arab history that witnessed conflicts and seditions in the nation despite the rise of national liberation movements and their struggle against the dominance of the evil forces and those ugly faces who collaborate with them, while others were fighting for dignity and independence.

The series introduces human stories in the frame of struggling against colonialism, reflecting the ideal example of the Arab citizen amidst all the weakness and frustration which the Arab countries suffered at a certain period of their history.

Dramatic Plot

The story of this show is shaped as to create a contrast between the noble national struggle for dignity and independence, and the shameless collaborators with the evil forces to reinforce their dominance.

Production Value

This series was filmed with the latest equipment and devices that not only introduce the concept of portable cameras, but also represent the cinematic formula of visual formation. The costume and accessories design were unlike anything done before in modern history drama series.
