Balqis

The Queen of Sheba

When a woman is not only beautiful, but also intelligent and a leader

After inheriting the militarily, economically and administratively weak kingdom from her father “Al-Hudhad”, Balqis the Himyarite queen establishes the most important period in the history of ancient Yemen, winning military victories, quelling tribal wars and elevating the economy of Yemen to the highest levels, her reign known as “The Happy Yemen”.

Drama / Historical / Thriller / Romance

Summary

The story begins in the latter years of the reign of King Al-Hudhad, father of Balqis, with Syrian artist Asa'd Fida embodying this character as a ruler, but who also weak at the same time. Under his reign the country witnesses decline in various aspects including military, economic and administrative life at a time when rivalry between the Yemeni tribes and Abyssinia leads to the disregard of the central state and its failure to control the reins of power. The King loses his crown prince as a prisoner to the Abyssinians before falling ill. He dies and leaves the throne to his daughter Balqis.

Dramatic Plot

The series takes Yemen as the scene of its events, presenting the biography of Balqis, the extraordinary Himyarite princess and “Queen of Sheba”, who is taken as a symbol of her era and the main driver behind events in the production. The series deals with one of the most important periods in the history of ancient Yemen characterised by military tensions and tribal wars, however Balqis with her intelligence and wisdom is able to triumph over such problems, uniting the country under her leadership, Yemen being known under her reign as “The Happy Yemen”. The series is also one of the rare dramas in which a woman is the main character.

Production Value

This series has been filmed using the latest devices and equipment, not just represented by the cameras used but also by the cinematic formula employed to create a visual form. All costumes and accessories have been designed according to new perspectives based on historical pieces.
