The Rough Road

In the Shafts of Evil

Ascension to hell

During the Soviet occupation of Afghanistan, a reporter finds that the so-called Mujahideen have turned into Takfiri groups and have deviated from the proper path of their jihad, distorting the true image of true Islam. These groups have led to the killing of this journalist after he was acquitted.

Drama/Social/Political/Thriller/Islamic/Religious/Battles

Summary

The story of an Arab journalist who works for a news channel during the Soviet occupation, he is pro-jihadist groups until he discovers that some of them have deviated from the right path and are taking a wrong path staining the true image of jihad and Islamic faith. As a counter act, he starts preparing of a TV program looking at the reasons and motives that led Jihad groups to adopt Takfiri thoughts that allows killing in cold blood under the name of Islam.

Dramatic Plot

The series takes place in a virtual city, and through the reporter eyes we see the threats this city is under, as an extremist group is preparing to carry out a massive bombing in a residential complex. On another hand the group is planning to assassinate the reporter as they knew him from Afghanistan, the operation is carried out with a booby-trapped car. In this series, we learn about the lives of the members of these groups who do not hesitate to kill their colleagues or friends or even themselves. The show also highlights the relationships of these terrorists with their family members.

Production Value

This series has been filmed using the latest devices and equipment, not just represented by the cameras used but also by the cinematic formula employed to create a visual form. All costumes and accessories have been designed according to new perspectives to make stand out over similar shows.
